50 days of Celebration

The Easter Season lasts 50 days.

There are <u>seven</u> Sundays and <u>seven weeks of celebration.</u> On the sheet there are <u>seven</u> eggs one for each of the Sundays.

- Read the Gospel passage under each egg
- After you have read the story, decorate & colour the egg
- Cut the egg out
- As a family write a short prayer on the undecorated side for praying during this week of Easter
- Place the egg in a significant place that will remind everyone that we are celebrating Easter
- During the week pray the prayer together

Alleluia! He is risen!
